A Wonderful Picnic Day

A great day was had by all who attended the Club Picnic in the Park at Ingleburn Reserve on 4 November. We had a lovely gathering and it was wonderful to see so many familiar faces after so long.

The weather was perfect, the location beautiful, and members enjoyed a drink and a bite to eat, and of course much chatting, laughing and catching up after a long absence from the Club.

Seems a few members have been busy and getting creative with their gems at home, others have been making use of opportunities to travel as far and wide as they can within the State, and others have spent their time developing new skills in other crafty endeavours, and helping out where they can in the community.

Upcoming Picnic in December

We all enjoyed it so much, we are going to do it again in December. Another Covid-safe social outing at the same place.

This time if you have a chair, I suggest you bring it along.

December Club Picnic Invitation

The plan is to meet up at Ingleburn Reserve for a socially distancing picnic.

Place: Ingleburn Reserve Picnic Grove
off Bensley Rd

267 Bensley Rd, Ingleburn

Date: Wednesday 9 December

Time: 10.00 am– 1.00 pm

Bring a picnic morning tea/lunch.

There is seating available, or you can bring your own picnic table and chairs.

Plenty of parking.

There are trees and a unisex toilet.

If you feel the need for exercise, there is a bush walking track there.

No need to RSVP. Just turn up with your food, drink and chair.

Thank you from the Treasurer

A big THANK YOU to all those who have paid their membership fees and continued to support the club throughout the Covid-19 pandemic. It is much appreciated.

Grawin Job Opportunity

The Lapidary Council forwarded an email from Margaret Whish-Wilson of Grawin.

Margaret and Suzy had the pleasure of watching Margaret carve opal a few years ago, and may have some thoughts regarding this opportunity.

The message of the email is reproduced below for anyone who may be interested in applying.

My name is Margaret, my husband and I, have a small business on the opal fields at Grawin (74 kms nth/west of Walgett) NSW. see ref. [www. margscarvings.net](http://www.margscarvings.net)

We had a display/work room in Lightning Ridge for over 6 years, became far too busy, decided to go back into mining, also established a

display/teaching room and work room at Grawin.

We are hoping to be able to find a retired person/couple that has the ability to silver smith and set opal cabochons and carvings.

The person or persons, will have their own camp site, water, their own entrance, all is fenced.

Along with this, we have built a secured room for them to work in.

Perhaps among your members or maybe other clubs, there is a possibility it would of interest to some lapidary members.

Looking forward to hearing from you.

Citrine crystals give energy to the body and enhance electrical impulses in the nervous system. They also help in fortifying the nerves and strengthening the spine.

They can be beneficial to people who suffer from reverse degenerative diseases. And they can improve blood circulation, and even remove cellulite!

Citrine can stimulate proper digestion and the proper functions of the spleen and the pancreas. It can also help with problems that affect your eyes. <https://meanings.crystalsandjewelry.com/citrine/#physical-healing-powers>

Words of Wisdom

The secret to happiness, you see, is not found in seeking more, but in developing the capacity to enjoy less. - **Socrates**

Call for contributions to the newsletter

As you have probably noticed, the newsletter has taken on some changes over the months since the pandemic began. I've tried to keep you updated with what's happening and what's not happening, in the Club, and introduce some items of interest and slight humour, to keep the newsletter relevant, and also to remind you all that the Club is still here and you are not forgotten. The Club will reopen it will happen and *hopefully* it will happen soon.

In the meantime, life goes on, and those lives going on are quite interesting, as I found out at the recent Club picnic. Soooooo I thought I'd remind you all that the newsletter is always very happy to receive and welcomes new ideas, contributions of stories, poems, jokes, pictures of your creative works, snapshots of what's happening in your world, or interesting events in your lives, travels (NSW covers a large area), new discoveries, hobbies, fossicking sites, techniques and skills you've picked up or found out about, or questions on what you hope to find out about ... Anything, no matter how short, or long, would be appreciated. Just email your contributions or ideas to ctownlapidaryclub.editor@gmail.com, and I'll add them to the newsletter.

I would also like to remind you of the [Campbelltown and Districts Lapidary website](#), managed by Kathy. If you are for any reason unable to access a newsletter, or have a need to refer to an old one, the website has an archive of newsletters dating back to as far as July 2011. Kathy has told me there are quite a few stories from members in those earlier editions that may be of interest to you.

I'll be waiting to hear from you here's to a more interesting newsletter next month!
